Single Point of Access (SPA)

- 425-521 referrals per month
 - 12.3% DNA
 - 18.3% referred onto IAPT
 - 13% to GP with recommendations
 - 56.4% handled by SPA
- Outcomes following SPA
 - Core team
 - Psychology

Brief Interventions from SPA

- 4 wte Support Workers
- Offer a range of interventions for “immediate needs” (for people with low/moderate risk)
 - Anxiety management
 - Benefits appointment support
 - Public transport
 - Family work/interventions
- Usually up to 6 weeks intervention

How can SWYT be more responsive ?

- **SWYT perspective**
 - GPs welcome to ring SPA team for advice
 - GPs welcome to ring SPA/Core Consultants for advice
 - Mental Health Resource Pack
 - Telephone assessments
- **GP Perspective**
 - Consider 3rd sector referrals
 - Social Prescribing
 - If in doubt, discuss with SPA

GPs welcome for Mental Health Refresher & CPD

- If you are on currently on the GP Performer's List and work in Barnsley
- Flexible, minimal bureaucracy/paperwork
- We welcome you to attend SPA to refresh MH assessment skills
- You can observe assessments/sit in with Consultant Psychiatrist at clinic
- We welcome you to attend Mon 1230-1345 and Thu 1230 -1345 mental health academic programmes at Kendray Hospital (Case Conference, Case Based Discussions and Journal Clubs)
- Please get in touch with Ms. Claire Gaskin on 01226 644156 before attending
- claire.gaskin@swyt.nhs.uk

Thank you !

- Any questions ?
- Thank you and over to....
