How to get started

Just follow the instructions below:

1. Email us at info@thesounddoctor.org with the name of your GP and Practice and the condition you would like to access.
2. We'll get back to you with a link to click on.
3. That will take you to www.thesounddoctor.org Login page.
4. Fill in username and make up a password.
5. You're away!

If you don't have a computer, tablet or smart phone, try asking family members if they can help, or you can go to your local library and use a computer there.

We hope that after watching these films you'll feel much more confident and better equipped to deal with your condition and get the most out of life

Good Luck. Let's take control!
