Email completed forms to [healthieryou.syandb@nhs.net](mailto:healthieryou.syandb@nhs.net)

**Information to be shared with patient when a referral is made:**

- Their personal and medical information is being shared
- The programme is delivered by Reed Wellbeing, and data will be shared securely between Reed Wellbeing, NHS England and the Local Authority for the purposes of delivering the programme effectively and monitoring programme performance
- The purpose of sharing this information is for them to participate on the programme
- Their personal and medical information will be stored securely on electronic systems and not be used for any purpose other than programme delivery and monitoring
- The results of preventative diabetes screening will be shared securely with their GP
- Their information may be shared with NHS England for programme evaluation purposes only
- Their data will be treated as confidential and held, shared and disposed of in line with all legal requirements (including the General Data Protection Regulation) and NHS guidance (which includes the Caldicott Guidelines)
- Should they take up the programme, their data will be retained for the duration of the contract with NHS England.
- Should they not take up the programme, or cease to attend, their individual data will be retained for 3 years after they have been discharged back to the care of their GP practice.
