Generalist Skills Programme

Enhancing Generalism ("enhance") is a one-year part time programme designed to enhance interprofessional capabilities in the workforce and supports the three shifts highlighted in the NHS 10 Year Health Plan.

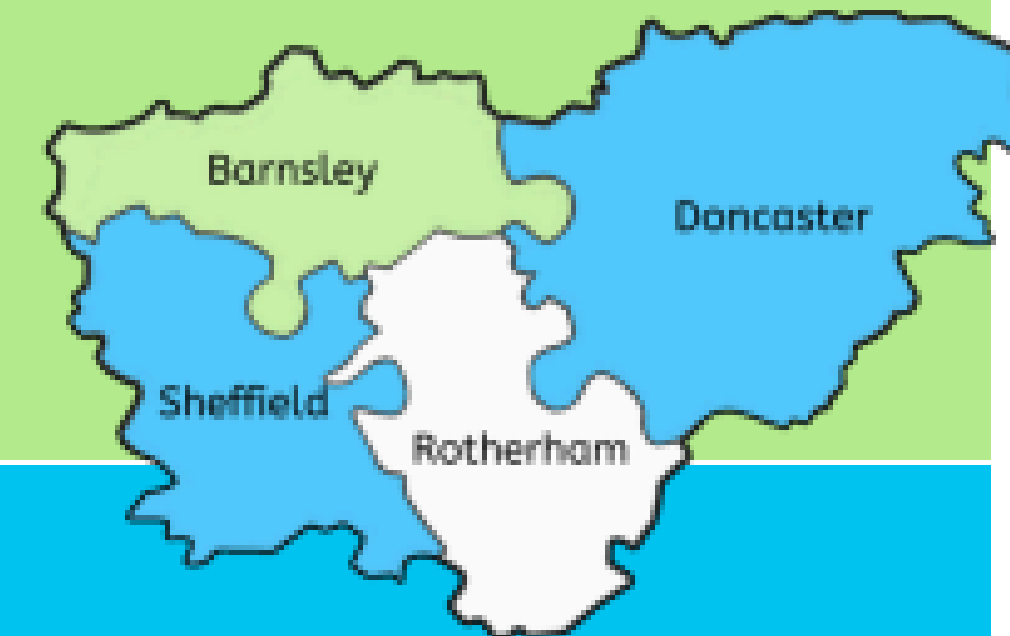

Hospital → Community

Analogue → Digital

Treatment → Prevention

You will learn the Six Domains of Enhance delivered through in-person expert led workshops

- Person Centred Practice
- System Working
- Complex Multimorbidity
- Social Justice and Health Equity
- Population Health
- Environmental Sustainability

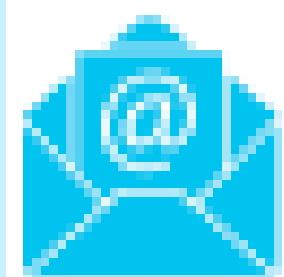

For clinical and non-clinical professionals,
working anywhere in South Yorkshire's primary,
secondary, mental health, community, social
care & voluntary services

Applicants will:

- Require release to attend up to 7 study days across the year
- Have access to optional additional study days (e.g. Quality Improvement training)
- Have access to an allocated sponsor/mentor

Starts October 2026
