Dear Parent/Carer of: <Patient Name>

Your GP has asked that we write to let you know your child is due for the following vaccinations:

<Specific Appointment Details>

Vaccination is the most important thing we can all do to protect our children and our families against ill health. They prevent up to 3 million deaths worldwide every year.

Please contact the GP Surgery to make an appointment now, these vaccinations are free and only take a few minutes, they will be due from:

<Specific Appointment Details>

Location **<Specific Treatment Centre>**

If you have any questions about the above vaccinations, then we welcome you to discuss these with your Practice nurse at your appointment.

Information on Vaccinations your child is entitled to receive can be found by scanning the code or visiting www.nhs.uk/conditions/vaccinations

Please bring this letter and your Parent Held Record along with you to the appointment.

Your practice nurse is looking forward to seeing you

Yours sincerely
