

NHS

Minor Eye

Problems?

**If you have a recent problem with your eyes –
such as sore eyes, red eyes
or visual disturbance –
you can be assessed and treated by our
local Minor Eye Conditions Service.**

**This is a free NHS service available from a
number of local opticians. See inside for more
information of what conditions are covered and
how to book an appointment.**

Search Our Practice Directory

To find out which is your nearest participating Urgent Eyecare Service (CUES), Minor Eye Conditions (MECS) and Community Eye Care Service (CECS) optical practice, enter your **full postcode below**.

PLEASE CLICK THE LINK

[Find a Practice - Search for your nearest participating optical practice \(primaryeyecare.co.uk\)](https://www.primaryeyecare.co.uk)

Once you have added your Postcode and pressed enter; Scroll down and see the list below the map to see the optical practices and their contact details listed in order of distance from the postcode entered.

These services are only available in certain areas where Primary Eyecare are contracted as an NHS provider. Eligibility is based on the GP you are registered with – and this will be checked by the optical practice when you contact them.
