CCGs actively encouraged every practice to be part of a local Primary Care Network by the end of 2018/19, following NHS review.

Leading across systems needs people to build authentic relationships and listen to all colleagues and peers across the locality and network.

- Working alongside the PCN Clinical Directors are Practice Managers and senior clinicians from practices.
- PCN Teams meet at times convenient to the PCN CDs to discuss population health and attend the Bi Monthly PCN meetings to develop PCNs.

## #LETS GO PCN

- What is a 'population health' approach?
- And what role do we all play in keeping our communities healthy?

- Improving population Health means CDs work in collaboration with systems, places and other local leaders within neighbourhoods, to work together to co-produce services across a place.
- Partners SWYPT, Council, BHNFT.
- CDs follow the NHSE and NHS Improvement , Maturity Matrix to develop these systems.
