

## **Drop-in wound care support for people experiencing homelessness and rough sleeping**

Alongside the Barnsley Recovery Steps breakfast club, a weekly wound care clinic is running to provide wound care support to people experiencing homelessness and rough sleeping.

### **The clinic takes place:**

- Every Wednesday from 10am
- At the Recovery Hub (access via side entrance on Crookes Street), McLintock Building, Summer Lane, Barnsley S70 2NZ

Nurses from the health inclusion team at South West Yorkshire Partnership NHS Foundation Trust and Waythrough's Barnsley Recovery Steps service will be present at the clinic. They will assess wounds, provide basic treatment and offer advice while promoting self-care.

The clinic operates via a drop-in facility where no appointments are necessary which may result in individuals having to wait to be seen at busy times. During this time people can visit the Barnsley Recovery Steps breakfast club for food and further support.
